T-Shirt Ordering Information for 2017

All 2017 T-shirts must be pre-ordered and pre-paid by June 1, 2017. There will be no new inventory available in the store. If you would like shirts for either summer or winter, PLEASE PLACE AN ORDER. It would be helpful if you could order T-shirts either on your Registration Form or on-line. You can use the back of the Registration Form, if you need more space. Please use the codes below to identify styles and be sure to choose colours applicable to the style(s) you select. You can see the shirt styles at www.jinkdiddle.com/home/jinktstore.html. Links next to each thumbnail will take you to the web site of the wholesaler my supplier uses, so data should remain up-to-date. You will be able to see all the colours available in each style and you will have access to additional information as well.

There is a possibility that prices listed here may change – but I will honour these prices if your order is submitted before any increase is published in the Jink T-Store.
